Perform other related operations as required or directed. May work at different workstations as production needs require.

QUALIFICATIONS:

KNOWLEDGE, SKILLS, AND ABILITIES:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required.

Demonstrate the ability to complete assigned tasks and maintain standard performance.

The ability to understand and communicate information is also essential.

Must have a good command of the English language, both written and spoken

Must be able to read and interpret drawings, use simple math, and use basic hand held measuring tools

Ability to respond to common inquiries or complaints from supervisors and managers

Ability to work 12-hour shifts in a non-climate controlled environment

Strong attention to detail

Ability to work in a fast paced environment

EDUCATION and/or EXPERIENCE:

High school diploma or GED required

1 year factory related experience preferred

PHYSICAL ENVIRONMENT: Office, Plant, Warehouse, or Field Environment

Work environment characteristics described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. While performing the duties of this job, the employee is exposed to weather conditions prevalent at the time. The noise level in the work environment is usually moderate, but hearing protection may be required in designated areas. Office environments are climate controlled.

PHYSICAL REQUIREMENTS:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. While performing the duties of this job, the employee is occasionally required to stand; walk; sit; use hands to finger, handle, or feel objects, tools or controls; reach with hands and arms; climb stairs; balance; stoop, kneel, crouch or crawl; talk or hear. Must be able to repetitively lift and/or move up to 50 pounds consistently during an 8-hour shift. This is a safety sensitive position.

For immediate consideration please bring the following with you to the Job Fair:
